# HenryMakow.com – March 30, 2024

In a July 2021 interview no longer unavailable, C.J. Bjerknes and Adam Green analyzed videos by Kabbalist rabbis in relation to the Cabalist dogma that the destruction of civilization is a prerequisite for the return of the Messiah. A dedicated reader, Z, provided an Introduction and a synopsis:

“*Tikkun Olam*, ‘redemption’, or “restoring/repairing the world” is laid bare for what it really is – genocide.

The same applies to their Messiah (Moshiach Ben David) who is to arrive and complete the slaughter of the rest of humanity and enter into the Third Temple to be built.

The US, the great ally of Israel and the Jewish people, is not spared from destruction,

but is especially targeted for annihilation – such is the level of their hatred and deception towards Christian and European populated nations”

“Bjerknes also points out that Jews themselves have been the victims of Rabbinical rule such as their role in the set-up of the Holocaust and that, per their own secret scripture here, two-thirds of them are slated to be killed in the next planned persecution.

Astoundingly, the Rabbis find this a good thing.”

They **take credit for the Jewish holocaust.** Are *COVID vaccines*

## ***The Kabbalah Revealed – A Review (from Nov. 22, 2022)***

**By Z — (henrymakow.com)**

The now expunged video, “***Rabbis Reveal Shocking Kabbalah Secrets***”, was produced by Adam Green of KnowMoreNews.org on 7/16/2021 from a compilation of talks given by five Rabbis who are specialists in the Kabbalah.

Joining Green to provide explanatory commentary was Christopher Jon Bjerknes, author and Kabbalah expert. This long review covers much of the basic premises of Kabbalah as presented by these Rabbis. Caveat: Both Green and Bejerknas are atheists who proclaim against Christianity in this video. As odious as that is to many, the focus needs to be on what the Rabbis say about their plans for world destruction.

The Jew is driven by hate – hate for every living thing.

**Tony O'Neill** on August 14, 2021 at 7:34 am

Well friends as you can see it's us or them. I for one don't intend to go quietly. From the film Braveheart, "They may take our lives but they will never take our FREEDOM". It's time we picked up the banners of our fallen brothers of the Waffen SS and fight just as bravely as they did.

**lewis jones** on August 14, 2021 at 10:00 am

"They take credit for the Jewish Holocaust", so they are like George Lincoln Rockwell, who, rather than deny it, gave credit for it to the Nazis. It was a dishonest approach and is a way of putting a lie/whinge to work. It is probably one of the reasons for his failure. We need to use only the truth, and, in this case, remember that Hitler was protecting the Jews.

**lewis jones** on August 14, 2021 at 10:48 am

Their verbiage is like the language of Mordor boomed out by Gandalf in Elrond's house. "The elves stopped their ears", Elrond was angry, but Gandalf was the one to prevent Mordor's expansion. Having to listen to the gibber cannot do Adam any good.

**Paul** on August 14, 2021 at 1:31 pm

These black hats are the anti-Christ. Their judeo/talmudic Religion are of the lineage of Satan. Jesus was right when he said: "Why is my language not clear to you? Because you are unable to hear what I say. You belong to your father, the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for

there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies”, NT book of John 8:43,44. To this day, they are antagonistic against the living God and Creator, and his Son and all of God’s righteous creation. They were and are behind the present so-called “pandemic” crisis, conflicts and Wars through history. Their evil ways are slowly being exposed, for who they are and whom they serve. Their time to rule through their accumulated wealth is soon coming to end.

What did you expect to happen?

Millions of white Christian-Communist gentiles from Britain-USA-USSR-Australia-Canada-NZ-S.Africa-France et al, fought for these deranged mongrel maniacs in WWII. So this is the world you get & deserve..Cause & effect.

Twenty some years ago, very few people cared to hear about how criminal and rotten the organized Jews are. Many of our people would scold you for mentioning the topic.

These days things are quite a bit different. Many are willing to hear and entertain the ideas you can share with them.

This evening after dinner, I did my best to bring some family friends up to speed about things and even managed to inform them how Jewish schemes in the WWI era set things up for how they were treated during WWII.

Back stabbing Germany, a lie and a foul treaty, looting and inflationary ruin, filth, child prostitution and degeneracy in Weimar Republic, communist insurgency and the Freicorps...I even managed to cover important facts about the late German Chancellor and his party.

I saved the “Who ran the African Slave Trade” story for the end.

Then I suggested that as the Jews played stupid games, they’d won stupid prizes, even though those rewards hadn’t actually included Zyklon gas.

I didn’t get any argument about any of the above. None of my guests were exactly neo n-zies or White extremists,

either.

You can probably find people you know who will be interested in hearing about the same things. Please do that.

**Conrad** on August 15, 2021 at 5:54 am

You would have to be brain dead to watch a 2.5 hour video. 7 minutes is most peoples limit. Remember who controls the internet controls the world.

**waw** on November 23, 2021 at 11:29 am

Most Jews HATE gentile Christians. Not all, but most. This hatred comes from the fact that most Jews are Christ-killing Satanists. Yes, real Satanists. Those like Hagee, and others, are just pure fools. No Christian would support these HATERS. Yet, by believing all the Jew LIES, starting in the recent era with WWI through the COVID murder scam, Christians have signed their death warrant. If you have not read Carr's PAWNS IN THE GAME, or Lina's UNDER THE SIGN OF THE SCORPION, or learned that the 1917 Revolution in Russia was a JEW revolution, you are not likely to live long. All the millions, if not billions, who die from the death jab did it to themselves. There is NOTHING bad about anti-semitism. It is really SURVIVAL. All Jews on the planet should be put on an island, like Crete or Sardinia, with no one allowed to leave the island.

@Conrad

Right. Everything important can be and must be compressed  
to 5-7 minutes. Very easy and possible.

You can learn the very simple art of selling by emotional  
appeal (look it up)!

You can read the original 25-point program of the late  
Chancellor and his party (look it up).

ADAPT each point to your current Time, Place, and People.

Show your Family, Friends, and Neighbors how each point  
of the plan will obtain for them safety, wealth, love, and  
recognition (the so-called “Fatal Four” emotional triggers).

Use your own words, because as you do that, you will  
develop your abilities to understand, communicate, and stay  
up on current conditions.

If it's not fun and exciting, you are not doing it right!

**Alan Donelson** on November 23, 2021 at 4:12 pm

@Ghost Who Walks: Very interesting, indeed. If you know, how much did the 25-point program overlap with “Propaganda”, Edward Bernays, (remarkable to me) a nephew of Sigmund Freud?

Is this article a Makow red herring?

Even if there are a group of Jews who want to cull most of those they consider goyim, if you want to paint all Jews with the same brush, you first have to explain why so many Jews

like Henry are right in the front lines in opposition against the Covid and vaccine scams.

Behind the entire “top-down” Covid pretext for the vaccines and various NWO political objectives there are many more Gentile-run financial organizations, major corporations, governments and religious institutions than just those under some Zio or Rothschild umbrella. What is going on is HUGE and every government and major institution of the West is up to their ears in the doo doo.

We should not be sidetracked by scapegoats with a bunch of nut-cases from some Jewish sect. As a Christian I can produce countless examples of influential nutcases and criminals wielding power as well, and they are all very much a part of the problem, and a source of the very crisis we are now dealing with, as much or more as any Jewish cabal or group of nincompoops. The same can be said for the Masons. It is the leadership and power brokers of all major institutions in the West who clearly make up the top-down structure of oppression behind the entire scandemic and the vaccine oppression. These are the real criminals and the ones who will have to account for their crimes, one way or the other.

For moral leadership asserting that our governments and the power brokers of the West do NOT have a right to deceive us with any mass deceptions and fear using the Covid virus as a pretext for various social changes and political ends,

WHERE IS THE LEADERSHIP of our clergy, and all our religious leaders and authorities in the Christian tradition?

Where is their assertion that political, monetary, or economic interests should never be used to distort and compromise medical-scientific truth?

Where is their assertion and their moral condemnation that the Covid virus is LAB VIRUS resulting from thousands of gain-of-function enhancement experiments over the past 20 years in the West, and regardless of the smoke and mirrors of where it allegedly escaped from or how it was allegedly released, that it is a BIOWEAPON which never should have been made in the first place, and that it was in fact made to target the very weak and the vulnerable?

Where are their assertions and moral condemnations for the DELIBERATE CRIMINAL SUPPRESSION by our governments of the HCQ and IVERMECTIN PROVEN TREATMENT PROTOCOLS WHICH WOULD HAVE SAVED MILLIONS OF PEOPLE FROM HORRIBLE DEATHS? These harmless, cheap and most effective protections treatment protocols were proven totally effective AS EARLY AS AUGUST 2020 and proved that the vaccines were never necessary for anyone and even for the elderly and frail people at risk to the virus.

Where are their assertions and moral condemnations regarding the evil of forcing “untested” and “unnecessary”

alleged “vaccines” on any people?

Where is THEIR moral outrage against forcing young people, never at any risk from the virus, to take these mRNA spike-protein alleged “vaccines” leading to so many serious harms and deaths?

Where is their moral condemnation of the suppression by our governments of the evidence of all of the deaths and harms caused by their vaccines and now threatening everyone who has been injected?

Where is their assertion that the Machiavellian means being used by this top-down structure can never justify any of the ends they are seeking and are inimical to the person of Jesus Christ?

Where is their exposure of the fact that the TOTALITARIAN MEANS being used by the top-down establishment of the West, including the use of massive deception, terror mongering, media brainwashing, and government oppression to force the masses into compliance, are all integral to the very nature of New World Order which they have been promoting?

Where is their moral condemnation against lying and even against sin these days?

Yet, they participate and are in fact forcing their own members to be jabbed with these noxious spike-protein

substances.

No Henry, please turn your guns on all leaders and powerbrokers in this completely EVIL top-down order running things.

The smoke of Satan is now everywhere in our Church leadership. Expose, oppose, and depose them all.

**Yukon Jack** on November 23, 2021 at 11:07 pm

Here's my (extremely inflammatory) two cents that will happen lots of fuel to this blazing rage of a debate:

First, Adam Greene and Bjerknes talk about Jesus as if he was a real historical character. Jesus is 100% literary fiction, if you think Jesus is real you have been duped, like all of your forefathers before you since they were conquered by Rome.

Christianity is not of our white European blood, it is an alien spell that we were forced to consume, our forefathers were put to death resisting this religion, but now all of Europe is consumed by it. Once converted to the phony Jewman your savior religion, Europe was enveloped into a cloud of darkness, never to be sane again.

I made this point on Darkmoon when Lasha Darkmoon was all tipsy with rage when the Macron Jews torched Notre Dame. As a Catholic in awe of the Middle Ages Cathedrals,

she felt the loss like so many, but the Catholic religion has always been an imposition all along, it was never a good thing ever, and it was these god damned popes that allowed the Jews to infiltrate into the European tribal areas and now we can all see what has happened, Europe has been fully mongrelized by browns, blacks, and every combination of mudbrid abomination miscreants.

In Amerika, we this half breed rapper maniac Darrell Brooks just did what any half breed can do, kill as many white as he can. He'll soon be back on the streets on parole, as Jews love a half white nigger who's got the balls to take an SUV and mow down as many white children as he can. That is what is coming to Europe as all the European leaders are so happy to completely sell out their nations to Jewry and their designs for us.

Like Nico X says, Hitler was our last hope in stopping the erasure of white Europeans and these pontificating ASSHOLES like Berjerknæs and H.M. have the gall to criticize that great man. How can any sane man not say we shouldn't round up all the Jews again? You would have to have a two digit IQ to not see the threat now, they are openly killing us off with the covid hoax, and while screaming pandemic they are importing tens of thousands of these unscreened mongrels. Uh huh, if we were in a real pandemic the borders would be closed to all imports.

I am of German and Irish descent (50/50) and the Jewish Zeus or Jesus is not of my blood, the insanity of the Jewish

text does not resonate with me or my DNA and I actually find it extremely repulsive. If you like this text, like John 8 quoted above, you are “possessed” by the word, you are under the spell of the Jew Josephus – the writer of said text.

<https://postflaviana.org/introduction-flavian-origins-theory-christianity/>

The Jew Josephus (or his fellow Flavian who is writing under the pen name John) is weaving a hugely deceptive tale about a man named Jesus who waltzes right into the Jewish court and tells all the learned Jewish scholar off and claims to be the son of God.

That is so laughable on the face of it, they would of knifed him right then and there. Have you ever argued with Jews? I have. John 8 is utter bullshit. Jesus is also said to be this rebel leader when Rome occupied Judea and had it under martial law. Sorry, that didn’t happen, ludicrous, and all these Christian fathers didn’t call bullshit on it is unfathomable.

So why is John 8 ridiculous? (See <https://biblehub.com/niv/john/8.htm>)

John 8 starts out with the adulterous woman. Jesus tells her “Go now and leave your life of sin.” . But there is no such thing as adultery, that is a Jewish concept through and through. Punishing a woman for having sex, especially by stoning her to death is wicked and cruel, especially for an act of consensual lovemaking. But that is what these MF-cking

Jews encoded into law – and Jesus affirms this – which proves he is just a tool of Jewish construct of social behavior.

No Germanic tribesman, Norse, Celt every stoned woman to death for f-cking. This demonization of woman – when a man must be involved in the act also – is just Jewish supremacist patriarchal religious/legal evil.

And He-man Jesus is said to have taken a whip into the temple, yet we are to believe that Jesus, who never married, never slept with woman? Sure. You betcha. Only a man on paper is without “sin”. How many celebrate priests became secret pedophiles when they went against their own sexual nature and tried to emulate the god-man?

The Bible is destructive because it demonizes text and creates this false light that salvation is by celibacy and denial of the body. Sex is normal and healthy, denial of sex is the path to deviancy, and that is the Bible’s legacy in our world today.

---

Then Jesus says he is the light of the world, and that he was sent by God:

“If God were your Father, you would love me, for I have come here from God. I have not come on my own; God sent me.”

That is a big unprovable claim of the writer, and it is meant to convince the reader that Jesus is our savior. A New Ager

would tell you everyone is sent by God, or you could say everyone on prison planet earth has already been condemned by the gods and sent here to rot. And no one has ever gotten out of earth hell despite all the claims of “afterlife”.

There is not one shred of scientific evidence that anyone has been saved, gone to heaven, is living in some afterlife, or lives forever. But belief in these thing is near universal for the obvious reason that self aware primates do not want to die.

IMO this is just Josephus glorifying himself as man’s savior with his Jesus tale. Josephus (or one of the Flavians) is casting himself through the text as the savior of mankind.

---

Then Jesus condemns the Jews in the harshest of terms, he completely negates their claim that they are God’s chosen ones:

“42Jesus said to them, “If God were your Father, you would love me, for I have come here from God. I have not come on my own; God sent me. 43Why is my language not clear to you? Because you are unable to hear what I say. 44You belong to your father, the devil, and you want to carry out your father’s desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies. 45Yet because I tell the truth, you do not

believe me! 46Can any of you prove me guilty of sin? If I am telling the truth, why don't you believe me? 47Whoever belongs to God hears what God says. The reason you do not hear is that you do not belong to God.'"

Of course if you said that they would of killed you on the spot. And Jesus is very arrogant saying he belongs to God and the Jews do not. Well I am pretty sure "God" made us all. The reader of this fiction is meant to think that some men are choosing not to belong to God. That is completely the wrong viewpoint of objective reality, man is a wrong creation and the proof is our hairless bodies on an ice age planet. Man is forced into working for a living, and that is the evil of the gods who created us as their slave race.

---

The Jews then accuse him of being demon possessed, because the claims he is making are so over the top as to not be believable. John 8 is not believable at all, it is a fairy tale meant for immature minds. And if you want to dismiss my analysis, go right ahead, as the world is still a shithole, maybe even far worse than it was 2,000 years ago. There is no evidence that any savior ever came here, things are getting worse by the day.

Adolf Hitler defined the Jews as a race & not a religious community, characterised the effect if a Jewish presence as a " RACE OF TUBERCULOSIS OF THE PEOPLES " &

identified the initial goal of the German Government to be discriminatory legislation against Jews.

The Ultimate goal must definitely be the “removal of the jews altogether”

The Jew is anti everything Postive & 100% commitment to everything negative. They have a profound Hate for non jews.

Just look at the Teachings of the Talmud.

The Talmud is Jewish supreeeeeemist personified.

Eurbin 21b.

Who so evet disobeys the Rabbis deserves death and will be punishable by being boiled in Hot excrement in hell.

Moed Kattan 17a

Baba Mezia 114a-114b

Only jews are Human. ( only ye are designated men )

Sanhedrin 58b

If a heathen ( Gentile ) hits a jew the Gentile must me killed.  
Hitting a jew is the same as hitting God.

Sanhedrin 57a.

A Jew need not pay a Gentile ( Cuthean ) the wages owed to him for work.

Sanhedrin 57a.

When a Jew murders a gentile ( cuthean ) there will be no death penalty. What the Jew steals from the gentile the Jew may keep.

Yebamoth 98a All Gentile Children are animals.

This is the filth that the Jew stands by. No wonder Adolf Hitler wanted this Evil out of Germany.

This is what all Non Jews face the wrath of the Jewish Parasite.

I have No idea how and can't see how the Non Jew can live in peace & Harmony when Jews want to inflict so much evil.

These writings and teachings are Evil and Satanic.

Yes, the world needs redemption from bad Jewish literature. So long as people believe in the God Spells of the Jews they will be captured by the Jews and suffer immensely.

Yes this is correct: "A Jew died for your sins, so now you get to die for Jews...that's all it comes down to.."

The Jews own the Gentile mind because they constructed a simulacrum of reality.

"They are displeasing to God." Really? How do you know what the Jews are doing is displeasing to God? How can God be God if some creatures act in a manner that creates a negative emotion in God? Why would God chose to create man then be displeased?

Maybe Jews are acting exactly the way God wants. Maybe God is an evil prick who chose Jews as his evil proxy on earth to carry out his evil agenda.

**Yukon Jack** on November 24, 2021 at 6:42 am

It is now obvious as we watch people die from the death jab that people are now questioning god and his motives. If you want to explain human life on earth start with the assumption that god is not good and everything starts to make perfect sense.

If we assume that God is evil then it makes perfect sense he chose Jews to represent him on earth. Jews are a proxy for the evil god. If we then assume god are space aliens, say evil reptilians running a human farm on earth, that would explain much why Jewish run government feels so alien. That is what David Icke does, he starts by saying earth is run by Reptilians, maybe from a nearby planet.

But there is a better way to see what is going on with humans and their religious beliefs. If we say humans are creations of the gods, artificial, not natural, then we can explain why humans are so evil. If I were to take a nest of naked mole rats and put them in a refrigerator, they would turn on each other

to eat and to stay warm. That is an analogy for naked man on an ice age planet.

No other ape is furless like us. It is absurd to think we evolved into furless creatures on an ice age planet. Furless creatures freeze to death, they are always losing heat and calories, thus is plain as day obvious that our furless condition is artificial.

It has become obvious that humans did not evolve on earth. For one thing we sunburn, and the sun glares in our eyes like no other animal. Even Darwin observed, humans are domesticated, not wild. Now if Bigfoot is real, take a look, Bigfoot has a massive amount of fur and eats what is right in front of his face, and Bigfoot is not concerned about god, nor does Bigfoot pray or want to go to another planet like Elon Musk. Bigfoot does not engage in war like us. Why? It does not have to in order to survive.

Now here is the real zinger, the reason people imagined God to be good is because they are in hell, and we are in hell because we are not fit, we did not evolve here so we are not integrated into the web of life. We sunburn, we don't like natural food, we are forced to work to get money because we were created as a slave race. No ape will dig a ditch, but humans can which is why we were created.

If you were in heavenly like life living free as a bird you would not have to imagine a good god or any god at all ... the only reason anyone imagines god and his goodness is to

curry favor while in hell. You are in hell because you do not belong on earth. And because you are in hell you imagine gods and favors from god.

There is this massive amount of Christardation, massive brainwashing into the Gospels, which are word spells, god spells, the Gospel literally means “god spell”.

John 1: 1 says that directly

“In the beginning was the Word, and the Word was with God, and the Word was God.”

the words in the Bible are the god of the Bible, that is what John 1:1 says. Read it again and dispel the spell. God are words. All this talk about afterlife and heaven are just words, words which take up brain space, words we believe so that we tolerate this hell that we are in.

The only reason people believe in god or Jesus is because they have been taught to do so. God has no reality outside of the book and your brain, god is a meme being passed from brain to brain, Richard Dawkins wrote a book and said god was a delusion, but he did not connect the dots and explain why.

Earth is a prison planet, a type of hell, there is no “after”life, there is only life and when you are dead you are dead and these beliefs in eternal life and heaven are delusions we cling to because we are self aware creatures. And since we are unadapted, we cry out to the heavens for help. We beg the

gods for help no different than a domesticated dog begs his human master for food. We imagine god coming back to save us. We do that because we are like the domesticated animal that needs the farmer to survive.

**Lerch** on March 31, 2024 at 10:19 am

The Jews of gospel times were not the sons of Yehudah, the tribe of Israel. They were sons of Esau, worshippers of el. They kicked out the last sons of Zadok, the priests, of whom a man clothed in skins was one, who cried out that people return to Yah from their ball worship.

These Jews have been ruling through Rome ever since.

They serve a dark master and feel the vibes.

But truth people can feel the ahav-agape of their creator.

**Thinker** on March 31, 2024 at 11:02 am

Evolution is debunked by a word, population. An ape population of 2mil, and one, just one, has a random genetic mutation, around the nose area, what happens to the

1,999,999 of the population that have no genetic mutations or perhaps other kinds of mutation? How will this ape species manage to evolve into a completely new species, requiring genetic mutations in millions of areas of its anatomical form, if they are all having different changes?

Evolution needs those genetic changes to take place in a complimentary manner down one hereditary line, while the rest of the population who could survive without any facial changes just disappear!

And what chances that these genetic changes follow a single hereditary line, over millions of years!

And what about before any species had functioning organs, how did one organ evolve, say the eye... Which needs eye sockets, nerves, muscles, brain, blood, circulatory system, skeletal system, respiratory system, digestive system, all to be evolved at the same time!

To Yukon Jack November 23, 2021 at 11:07 pm

I read your entire tome-post ... twice. Thank you. What you said has to be said.

But there is another perspective:

1. Recall that in the early years of the 10th century, the Eastern Church split from the Roman Church (the Great Schism).

2. From the early years of the 12th century, the Roman Church led twenty years of genocidal crusades against the by

then very influential Cathari, otherwise known as the Albigentians (and by a few other names).

Both 1. and 2. were schismatic movements in shocked protest against the dictatorial dogmas and gross immorality of the Roman Church.

Very little is known of the Cathari religion, for, although they were prolific writers, the Roman Church went to great lengths to destroy their writings after it had destroyed the Cathari, very nearly completely. But it is known that the mainstay of their faith was that Jesus was not born; He was always Spirit. There is also scholarship that aligns the faith of the Early Christians (pre the Pauline Roman Church) and the faith of the Cathari. ,

I believe without a doubt that Jesus did come into this world as the emissary of God, and that he brought us the message of goodness and love that makes life worth living. And I believe that that is the genuine Christianity. And I believe that it was the ancestry of the Jews that threw its entire weight against the Christian message from the very outset, fully intent on its obliteration.

Albi and Carcassonne in France's Occitanie were two of the nastiest scenes of the Roman Church's vicious crusade against the Cathari. I am going there in a few days' time. I hope to find a feel of the Cathari there.

Yukon Jack—the Jews in Nazi Concentration Camps were protected and were the bosses and were there to be not in the war, out in the safe countryside. The dynamics do not change just because of a politician. Heaps of bodies in photographs are more often heaps of Germans or other White people

It DOES look like (((The Plan))) is to exterminate Whitey by hook or by crook... viz:

1. VaXXXtermination
2. Invasion via Mass Migration
3. Gender-bending Cultural & Social Genocide
4. Economic Collapse.

..and, last but not least. The Mother Of All Grand Finales:

5. MASS EXTERMINATION in US/UK/Europe via goading Russia into Wiping-Out Whitey in WW3

Now, perhaps, it's at least beginning to dawn on you how Deagel came up with those forecasts of an 80% – Yes, Virginia! EIGHTY PERCENT! – “reduction” in US & UK populations by 2025...

which – just in case you're ‘arithmetically challenged’ – leaves you with 21 months AT MOST to pick out a plot for your earthly remains... should there be anyone around to

care whose carcass it is that's cluttering up the kerbside drainage..

In the meantime, keep on voting and by all means contact to your elected representative should anything in the above scenario give you cause for concern... 😊

all problems on this earth hell started with our languages + words/scripts with their help we kept our deceiving thoughts behind empty words. language created our lieing, hidden conspirations, secret services with their crimes deceiving people that they only are securing the state + its wellbeeing . I LONG FOR A WORLD WHERE ONLY TELEPATICAL CONVERSION EXISTS . where every individuo sees exactly what you mean without any possibility to hide or to deceive . is it a heart language ? hinduism knows more about it + maybe some higher developed Extra Terrestial Aliens . that telepaty dont exists in this world shows that this world exactly has to be a world of satan the deceiver .

Thinker—you can get evolution when a small population gets separated from the rest, as on an island or when closed in by mountains. Otherwise, as you say, the novelty gets diluted out. The Galapagos (spell?) Islands interested Darwin, as evolution was found to have happened there

“Biden’s Jews Want Putin to Destroy the West” ... The Jews who control Biden also control Chabad Vlad, and they want to degrade and destroy everything and everyone not of their satanic tribe of homicidal maniacs, not just “the West”. The criminally insane demonic “law” of the Jews commands them to do so.

Perhaps Christians do not recognize Christianity as fruit of the poison tree. The Old Testament, a collection of ancient myths, Jewish folklore and magical tales, was written by Jews for Jews. It was left behind to infect goyim minds even after Jews left nations, by expulsion or otherwise, only to be adopted by goyim as the basis for their own superstitions. Democracy is communism lite. Communism is Judaism for the goyim.
